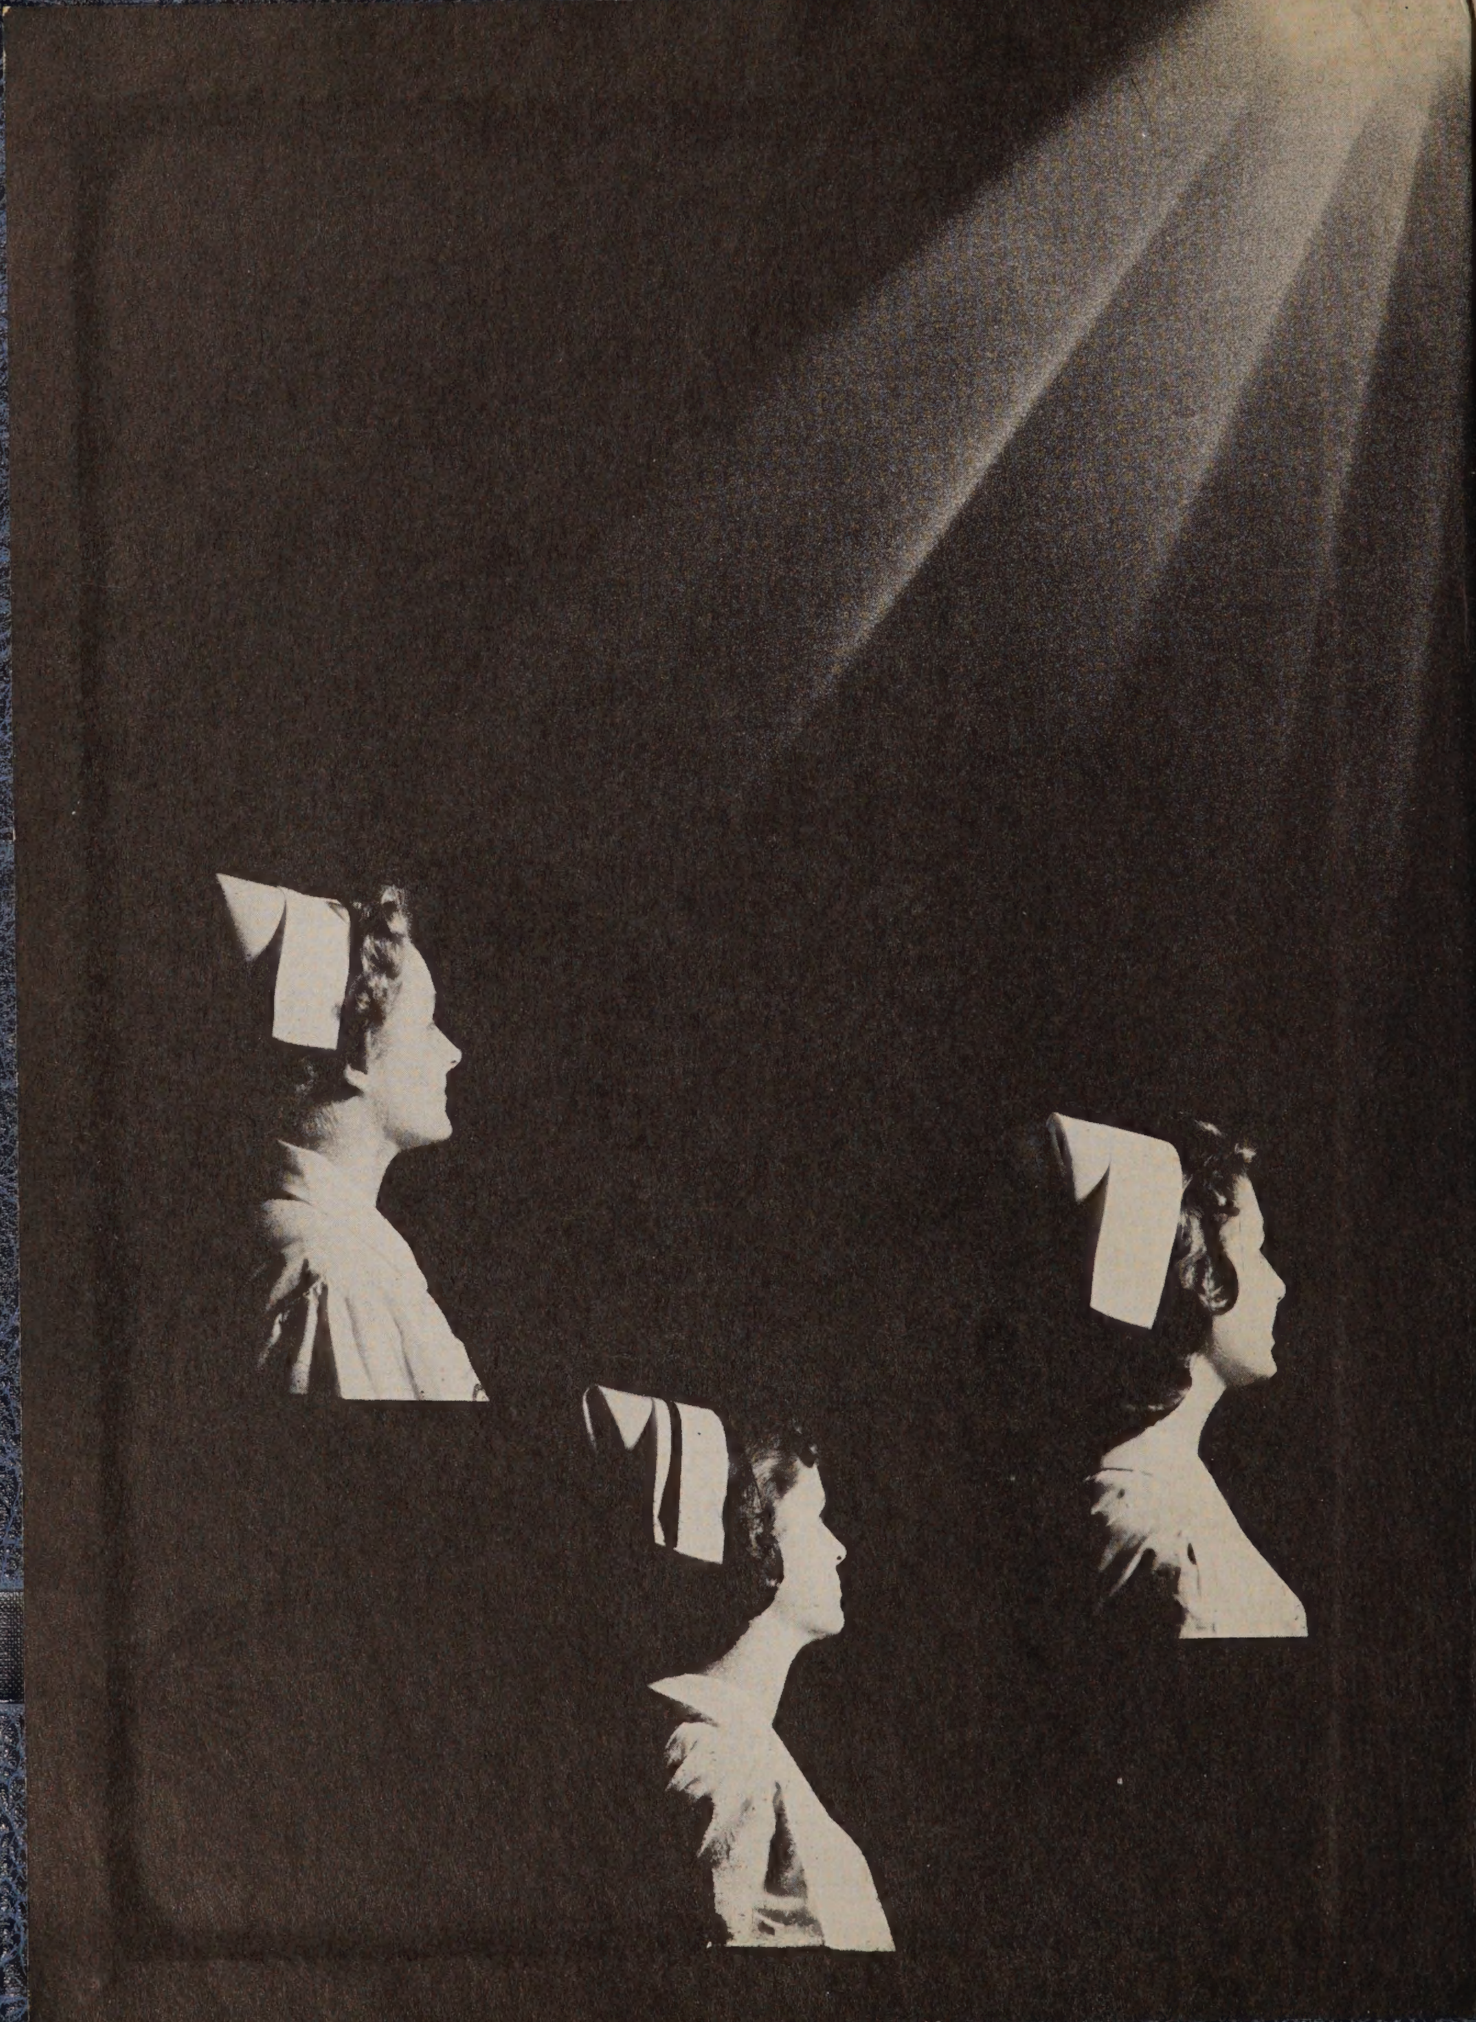
Caps and Capes



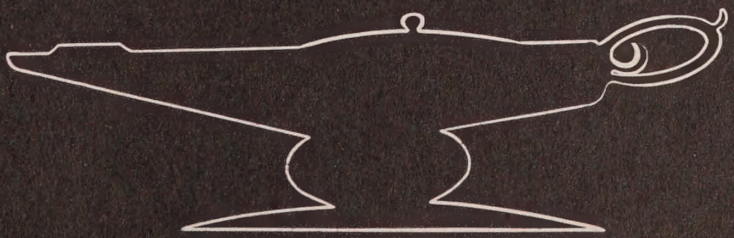
THE NIGHTINGALE PLEDGE

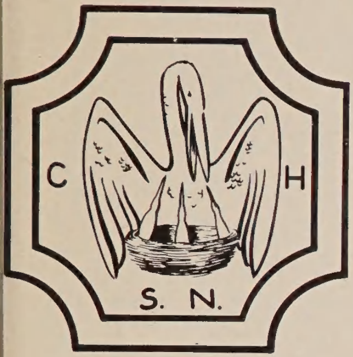
I solemnly pledge myself before God and in the presence of this assembly; to pass my life in purity and practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous and will not take or knowingly administer any harmful drug.

I will do all in my power to elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my profession.

With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.





The 1957 Caps & Capes

CHARITY HOSPITAL

SCHOOL OF NURSING

New Orleans, La.

Days once passed can never come again---but Memories preserved in this book forever will live. Yesterday's trials light tomorrow's dreams as we vividly scope our future.

Dedication

As we walk down the pathway of life, it is rare indeed to find someone whose kind understanding, endless patience and true unselfish devotion is an inspiration to all humanity. But such an individual does exist among us here at Charity. And to her, we the staff wish to dedicate this, the 1957 Caps And Capes, Miss Grace Grafton. We hope that this dedication, in some small measure, will help to express the unbounded esteem which we have for her in our hearts.

Miss Grace Grafton

"For the students - by the students" thus lies the foundation and aims of Charity's Self-Government. The duly elected officers and representatives meet weekly to consider infraction of regulations with which the student may be charged; to discuss current problems and to suggest improvements. This, in turn, is presented to the administrators for their consideration.

"Snap Judgment"

The Kue Klub is a well established organization of our school which has provided the students with opportunities of recreation, self-expression, joy of creation, sociability, and training for public speaking, as well as giving entertainment to the student body.

The club's activities include several sales and a style show plus costumes for Easter and Christmas plays and a complete cosmetic case for future plays.

The year's productions were a Christmas play, an Easter play, a Comedy Skit, and "Snap Judgment" the first three act play to be given at Charity.

The club year closed with an annual banquet and at assembly the presentation of Dramatics Club pins earned by activity participation.

White Cap

In the spirit of true professional journalism, "The White Cap", the official news publication of our school, has scored another outstanding year of achievement.

Under the talented and capable guidance of Miss Dolores Harris, Editor, Miss Marjorie DeVillier, Associate Editor, and Miss Dorothy Steckler, Faculty Advisor, staff members of "The White Cap", with ability and enthusiasm, have given an accurate and thorough news presentation throughout the year. Events in the hospital and the school have been well reported. "The White Cap" have served to provide an organ for student expression and to promote a wholesome interest in school activities.

The traditionally high standards of excellent journalism have been well maintained. But ever young in spirit, and with its student initiative and creative ability, "The White Cap" has also helped to point the way to a brighter future.

Protestant Chapel

The Protestant Chapel is a religious organization with representation from all protestant denominations.

A primary aim of this group is to direct its members in a way of life that will bring honor and glory to God.

In keeping with such purpose the Protestant Chapel has had an eventful year of spiritual activity. Points of interest in its program included regular chapel services, Bible studies and charitable assistance to the needy as well as interest in the missionary work underway in Africa and other parts of the world.

1957 marks the third year for the Library Club to be recognized as a functioning group of Charity. As well as the fun connected with belonging, the Junior Librarians offer valuable service to the library by sitting at the desk during the lunch and dinner hours, shelving books, keeping the Charity News Scrapbook up to date and helping with the card catalogue.

Some of the Club Activities this year include a book sale, handling a booth at the annual bazaar and a wonderful evening meeting at which Miss O'Connor, our Student Advisor, showed some of her slides of one of her trips to Europe.

Under the capable direction of Miss Emogene Gunter, members of the Glee Club have provided us with fine entertainment at various school activities held throughout the year.

During the Christmas holidays, members of the Glee Club participated in the presentation of a Christmas play by the Dramatic Club. Enthusiastic members also went caroling throughout the hospital to bestow their cheerful melodic tidings and good cheer.

A number of selections were also sung for the Easter pageant which was presented by the Dramatic Club.

The main events of the year included the annual retreat and a series of Pre-Cana lectures presented by the Rev. Louis Meteye.

Newman Club

On the first Thursday of each month the Newman Club, A Catholic Organization, holds its meetings. The members consist of L. S. U. medical students and Charity students.

At the monthly meetings the members have the opportunity to hear guest lecturers who speak on religion and its connection with the wide fields of medicine. Besides its primary function, the club sponsors school dances, wiener roasts, beach parties, communion breakfasts and a social after each meeting.
